Unleashed: The Poteen three, ready to roar at Belfast's Bone Yard.

Knockeen Hill's triple-distilled poteens combine the legendary taste of centuries old moonshine whiskey with the smoothness associated with the distillation process used by many ultra-premium whiskeys today.

The variety of our range of poteens will appeal to drinkers of whiskey, vodka and gin, whether taken neat, with mixers or as a contemporary cocktail base – whilst the nose remains reminiscent of previous generations.
